ATHLETICS

Coach DeLongo has been the figurehead of the Beallsville football team 10 years and his presence has always sparked admiration. He has always added the right touch to everything and everyone with his great personality and sportsmanship. With his experience and knowledge he has been able to motivate not only the football team but also everyone coming in contact with him. He has always been a kind, considerate person with a heart, mellow and sentimental. The high goals he has set are examples to everyone.

As time passed Coach DeLongo decided that in order to devote more time to his wife and family, he would hang up the old whistle. We will miss his presence on the football field and we hope this page will serve as a refresher of the past as well as an inspiration for the future.

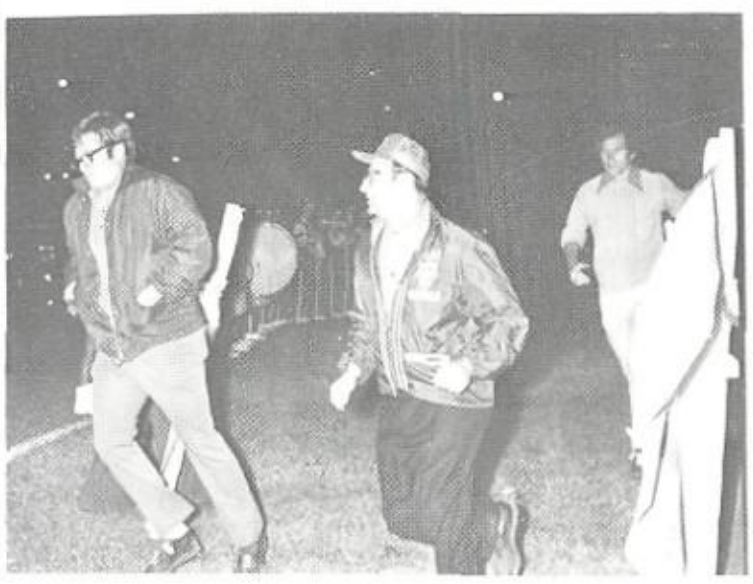
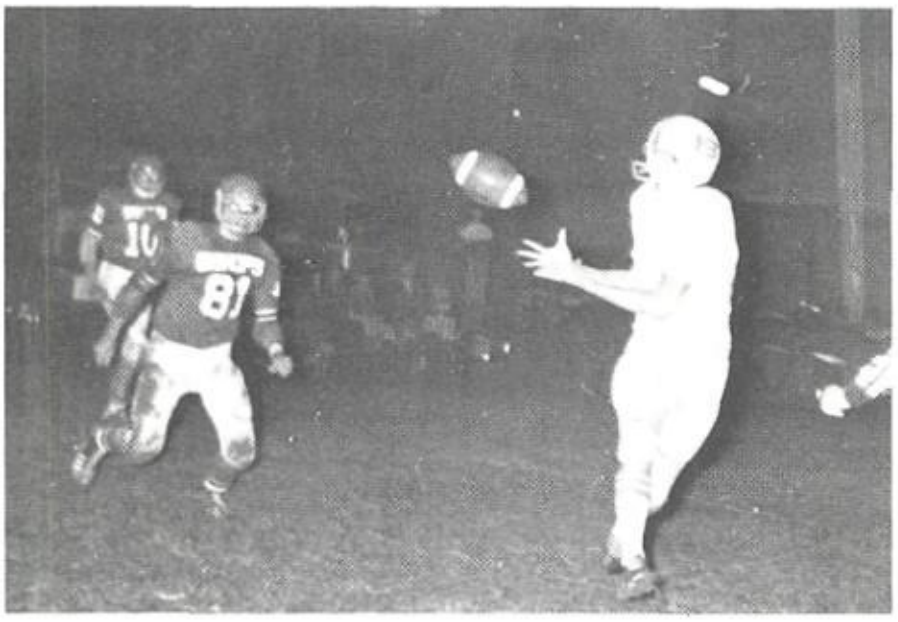
Power





Under the patient eyes of Coaches DeLongo, Shank, Harmon, and Keefner, our BIG BLUE MACHINE managed to pull through with a 4-6 season. Not statistically phenomenal, yet the emotion generated by everyone during the football games was definitely high spirited.
